WELCOME TO OUR OFFICIALS

**Welcome
to
Binfield FC**
from our
chairman,
Bob Bacon

A very warm welcome to this after-
noons opponents Fairford Town FC,
their players, staff,
committee and supporters, in today's
uhlsport Hellenic Premier League
match.

Covid is still with us. It still needs us all
to be diligent and comply with the reg-
ulations and the advice.

Please, please, please follow the signs around the ground and in the club
house, scan the QRcodes and observe social distancing.

We can only ask you to do this, not just for your benefit, but for the benefit of
those around you.

There is no doubt that we are seeing a title contending team here today, cur-
rently sitting in third place in the league, they will be looking to have a good day
out and get the points. This should be another cracker of a match at Hill Farm
Lane.

Tuesday night against AFC Aldermaston saw us run out 5-0 winners in a game
that we dominated and it was great to see Jack back in the starting eleven
opening the scoring and then having Adam get his goal. It felt like normal ser-
vice was resumed when Sean stuck two goals in, capped off by JJ
getting onto the score sheet. Well done lads

At the end of the game, Elliott Legg was presented with the first Supporters
Player of the Month award. Many congratulations. It is testimony to the squad
that we ended up with nearly fifty votes and seven players were nominated.

No midweek game for us next week, but we do have an away trip to Brim-
scombe & Thrupp next Saturday. They will be up there at the end of the
season too (let's hope we do get to the end of the season) so this is well worth
a visit if you have never been. A very hospitable club.

Get behind the lads today, and let them hear your support and encouragement,
enjoy the game and make a lot of noise, – c'mon you Moles!

Bayley heading back up the pyramid

It was great to see last week that Harrison Bayley made the step back up to the Vanarama National League having previously featured there for Hayes & Yeading United.

Testament to Bayley is that he is a crowd favourite with a number of clubs in Berkshire having lifted the FA Vase with Thatcham Town, helped Bracknell Town to the Isthmian League play-off final and had spells with Binfield and Highmoor IBIS.

He started the season with Marlow but will now join a number of former Thatcham players including Callum Willmoth and Kyle Tooze at Hungerford, joining up again with new Crusaders manager Danny Robinson.

It wasn't the only bit of news out of West Berkshire this week, the Crusaders were involved in one of the more bizarre goals you'll see this season when James Harding ensured a second successive National League South win for Hungerford at Tonbridge Angels.

The striker pounced on a ball thrown out by goalkeeper James Shaw for what he thought was a free kick. Only Harding appeared to realise the referee hadn't blown the whistle and ran the ball in to the goal to give Robinson's side a 2-0 win.

Meanwhile, I hope you'll join us on our live Hellenic League show, #East-MeetsWest which goes out on a Monday night (8pm) on our Facebook page.

Myself and Rob Davies are joined every week by Ryan Butler of Severn Sport as we discuss all things Hellenic League, from going through the results, picking up on the big stories and as we are at the moment, firing out a few predictions.

Finally, we are always looking for new contributors to the site, if you have any ideas or would just like to get involved, drop me an email to tom.canning@footballinbracknell.co.uk

By Dave Wright

Binfield eased through their Bluefin Sports Hellenic League Cup second-round tie on Tuesday, defeating AFC Aldermaston 5-0 at Hill Farm Lane.

The Moles totally dominated the game as one would largely expect when a top Premier Division side takes on one from the lower reaches of Division 1 East and could so easily have won by a wider margin.

There were a few changes to the starting line-up with the managers Jamie McClurg and Carl Withers giving certain players valuable minutes on the pitch and they all fitted in well to their roles - proof that the whole squad are one unit when it comes to training and match preparation.

Jack Broome got the ball rolling with a well-taken goal in the 11th minute, but it was nearly half-an-hour before they doubled their lead via Adam Cornell, who was quick to seize on a rebound. It was a much-needed confidence booster for the striker, who earlier had seen his header come back off the post.

In the first half, the visitors had defended well whilst also launching a few which kept the Moles defence on their toes although it was never sustained pressure.

Aldermaston were led by former Binfield defender Gary Smith, who played on despite suffering a facial injury early in the game.

The second half saw Moles enjoy even more possession than they had in the first and it was inevitable they would add to their tally even though Iain McCulley was performing well in the Aldermaston goal.

But he was caught well out of position in the 76th minute and paid the price as Sean Moore found the net from a very tight angle to make it 3-0.

In the 4-4 draw with Windsor, the Moles skipper scored twice in a little over four minutes, but he didn't need as long on this occasion, as two minutes later he crashed the ball into the net from around 30 yards. So two excellent goals from Sean, who is in the form of his life at the moment, and it takes his season's tally to nine so far, six coming in the last three games.

Substitute Jemel Johnson, who had replaced Cornell after 69 minutes, sealed a good night's work for his team by netting their fifth goal four minutes from time.

Aldermaston, who had Adam Price sent to the sin-bin in the 80th minute for dissent, deserve some credit for not giving up, but again they were made aware of the gap that exists between the divisions, having lost by the same margin at Premier Division side Brimscombe & Thrupp in the Buildbase FA Vase last Saturday.

For the Moles, it is now nine goals scored in two successive home games, but they will undoubtedly find it much more difficult to break down a Fairford Town rearguard this afternoon - and it might mean a little bit of Moore magic from captain Sean if Binfield are to maintain their unbeaten run in league games.

In their last away league game, Fairford lost 2-1 at fellow top-three side Reading City despite being deservedly ahead at half-time through a Ross Langworthy goal.

Fairford's fixture against Tuffley Rovers last Saturday was called off on the advice of the Hellenic League following a positive Covid-19 test for a Tuffley player.

NEW GROUND AT GREAT TORRINGTON - THE SCENE OF A BATTLE

5. Saturday 5 September 2020 - South West Peninsula Premier East - Attendance: 82
 Torrington (green/green) 3-4 Torpoint Athletic (gold/gold)
 Scorers: Torrington (Gregory 12 & 55 pen, Nichols 46)
 Torpoint Athletic (Lucas 17, Damerell 33 & 48, Hardcastle 52)
 New Ground: in town centre, lovely town full of character
 Pitch: long grass, steep slope
 Weather: oh what a beautiful morning, oh what a beautiful day, I've got this wonderful feeling, Torpoint will win today
 Ent & Prog: £3.00 - Travel: car - Miles: 90 return from Wotter

The Battle of Torrington in 1646 was a decisive battle of the south-western campaign of the English Civil War and marked the end of Royalist resistance in the West Country. I was told this was around the time of Oliver Cromwell, but he wasn't listed today in Torrington's team, so I can only assume he was unavailable. Shortly after 16:46, Torpoint Athletic were triumphant and had taken three league points from a hard fought battle.

Today, I'm out of the traps from Wotter and journeyed the length of the A386 to Great Torrington. A former railway town of great importance of bygone years, then Beeching wielded his axe and brutally cut off another community. The station at the Puffing Billy remains and 200 yards of track have been laid, but they appear to be light years away from their former life. Also the Takka Trail provides a long distance cycle route, but it's crying out for trains again.

Lots of interchanging of passes. Hold very tight please, this is going nowhere. Nobody would use the wings, just kept ploughing through the middle - that is what they do round here on their farms. Fitness levels variable from player to player. Some not running like a well-oiled tractor and others not running at all. Torrington sneaked the first goal on the angle, however Torpoint Athletic came back and equalised. Around the half-hour mark, the Point struck gold, with half-time taken at 1-2.

Then, four goals in ten minutes - the action was frantic. Torrington scored straight from the kick-off. Within two minutes Robbie's gold and black army cleaned up a mistake at the back and were one goal up again. Four minutes later, they outwitted the home defence, drew the keeper, just a quick sketch and placed the ball in the net for 2-4. Penalty-kick to Torrington for handball, directed left and scored. Four goals in ten minutes, all too much for a part-time reporter. The Point conceded a second penalty-kick, directed left, which fortunately or unfortunately struck the outside of the post and bounced away. 30 minutes still to play. Towards the end, play slowed up, play tightened up and Torpoint Athletic concentrated on keeping the back door shut.

Delighted to be joined by Ian Ferguson, great friend of the late Ross Hammond. We can only speak of Ross in glowing terms and we would have it no other way. After consulting my English-Scouse phrase book, we embarked on a conversation. Ian gave me a box of Derby County programmes - just what I wanted, but as they were from Ross, they will be treasured.

WELCOME TO FAIRFORD TOWN – PMW WRITES FOR BINFIELD

No, I haven't been to Fairford Town, unusually neither have I been to Fairford.

Fairford is a small town in Gloucestershire, England. The town lies in the Cotswold hills on the River Coln, six miles (9.7 km) east of Cirencester, four miles (6.4 km) west of Lechlade and nine miles (14 km) north of Swindon. Nearby are RAF Fairford and the Cotswold Water Park.

Fairford Town Football Club was formed in 1891 and for many years played in the Cirencester & District League against local teams with varying degrees of success.

After the second world war the club joined the Swindon & District League, winning the Premier Division in both 1964/65 and 1968/69, also winning the Advertiser Cup in the same years and in 1962/63 won the Gloucestershire Junior Cup.

Fairford has a Parish Council with 13 members. The ward population at the 2011 census was 4,031.

Success in the Swindon & District League was followed by election to the Hellenic League in 1970, only missing promotion from the first division on goal average at the first attempt. The club were also beaten finalists in that year's division one Challenge Cup.

The following year, 1971/72 saw Fairford win the Hellenic first division and division one Challenge Shield, whilst the reserve side won the Gloucestershire County Minor Cup, the Advertiser Cup and finished runners-up in the Swindon & District Division One. The successful run continued and Town were the beaten finalists of 1972/73 in the Premier Division Cup, only to be relegated back to Division One in 1973/74.

Fairford Town were again promoted in 1975/76 and steady progress led to the Premier Division Runners-up in 1978/79 and 1979/80, also

winning the Premier Division Cup in 1978/79. The Club were winners of the Gloucestershire Challenge Trophy in 1979/80 and 1998/99 and Runners-up in 1982/83 and 1994/95.

The most recent league success has been Premier Division Runners-up in season 1994/95 following a similar position in Season 1990/91. The Club has also achieved numerous wins in the Arthur Shipway Cup and Fairford Hospital Cup.

For three days every year RAF Fairford hosts the world's largest military air show - the Royal International Air Tattoo. The event brings a boost to the economy of the town and surrounding areas. The 2020 show was cancelled due to Coronavirus.

In March 2003 "Flowers to Fairford" was held as a protest against the use of USAF Fairford as the base for the 14 B-52 bombers aircraft, which were used to bomb Iraq. Several thousand people attended and there was a large police presence, but the event passed off peacefully.

The 2016/17 season saw the club secure a return to the Hellenic Premier Division after a five-year absence, winning the Division One West title with 75 points. Fairford Town FC play at Cinder Lane, Fairford, Gloucestershire, GL7 4AX

My ground-hopping activities will continue slightly restricted, as I assure you that I don't want to catch the pox. There's going to be a lot less new grounds this season, much less travelling and not the long days out from home.

I have not renewed my Senior Railcard, so much of the darker months will be conducted from home within the sound of church bells and the M25. My Saturdays and Tuesdays should remain undisturbed, but other nights may be assigned to my Shads music clubs, particularly as Friday night is music night. Here is my account of my recent visit to Torrington in Devon.

The View from the Dugout

with Dodds and Withs

Good Afternoon, and welcome to today's game against Fairford Town FC.

Tuesday, we welcomed AFC Aldermaston in the league cup, and it was a game that provided the 100+ crowd plenty of goals on a night that we both came away with lots of positives across the side.

The game was a great opportunity to freshen the squad up and we couldn't have been happier with the performance across the pitch. These sort of games can sometimes be difficult nights, but our lads produced a professional performance and dominated from start to finish.

On the injury front we are hoping to welcome back some of the squad in the next few games with Asa Povey, Josh Helmore, Tom Willment and David Hancock all making good progress in thier rehabilitation

Today, we welcome a Fairford side filled with lots of experience and this game will certainly provide a much stiffer test for our lads than Tuesday night. Jody Bevan has recruited well in the summer and his side have started the season strong, and like us have aspirations in getting out this league so I'm sure you are all in for a great game, and like we say every week, please all respect the guidelines,
Stay safe and enjoy today's game.

Come on you Moles !

Withs & Dodds

The international break very rarely affects Non-League clubs, but Non-League is increasingly influencing the international scene.

Each season we see more players deservedly earn moves into the Football League – and some even go on to reach the absolute peak.

Over the last seven months the football pyramid has become even more divided, with 'Project Big Picture' now trying hard to increase the gap, but the importance of lower-league clubs to the product on the pitch has never been more obvious.

Six players in Gareth Southgate's latest England squad have had stints in Non-League and there were five in the side Ryan Giggs picked for Wales when the two teams met last week.

Nick Pope started the friendly fixture at Wembley having begun his career in the Eastern Counties League with Team Bury before progressing to Bury Town in the Isthmian League.

Buy it every Sunday from your local newsagent
Or Subscribe at www.thenonleaguefootballpaper.com

Following his move to Charlton Athletic, Pope went on loan to Harrow Borough, Welling United, Cambridge United and Aldershot Town for more crucial experience of first team football.

The back-up England keepers against Wales, Jordan Pickford and Dean Henderson, are also no strangers to Non-League. Pickford had loan spells at Darlington and Alfreton Town while Henderson played in goal for Stockport County just over four years ago when they were in National League North. He's also pushing to become Manchester United's number one.

Centre-back Tyrone Mings impressed in senior football at Yate Town and Chippenham Town in the Southern League before a successful trial at Ipswich Town forged the start of his top-flight career.

Dominic Calvert-Lewin made his England debut, and scored, in the 3-0 win over Wales. A debut goal was nothing new to the Everton striker, as a 17-year-old he bagged on his first appearance for Stalybridge Celtic against Hyde on Boxing Day when Sheffield United sent him out for game time. On New Year's Day, in the reverse fixture, he scored twice and set up three. Danny Ings also got in on the act at Wembley, scoring his first goal for his country via a bicycle kick. Ten years ago, he was netting in Non-League at Dorchester Town on loan from Bournemouth.

Many others in the England squad either started or showed their talents in the lower reaches of the Football League before stepping up into the Premier League spotlight.

With all of these measures and safety requirements being a new eye opener for us, if you have any questions regarding the new measures or anything else at all, please do not hesitate to contact us and we will do our absolutely best to answer.

SELF TEMPERATURE CHECK

Please do not turn up if you have COVID-19 symptoms. Please check the GOV website to see the listed symptoms of the virus.

MASKS

Masks are not required but are recommended in the clubhouse.

SOCIAL DISTANCING

Please do not meet up in groups of more than 6 people from a maximum of 2 households when attending games at the lane unless you have formed social bubbles. Please maintain a minimal 1 metre distance where possible.
