

Binfield Heat U10's is looking for a volunteer coach

We have players with huge potential but with one coach (who does the training, planning, admin, CPD and recruitment too) the team needs your help.

We are looking for help at our training sessions on Wednesday evenings, 6-7pm and match days on Saturdays for 2 hours, 9am-11am. During the winter we train on Kings Academy 3G pitches in Binfield and Jocks Lane in Bracknell during the summer.

Ideally we are looking for a coach who has coached children before or are still playing football themselves. It would be an advantage if you have your FA coaching badges.

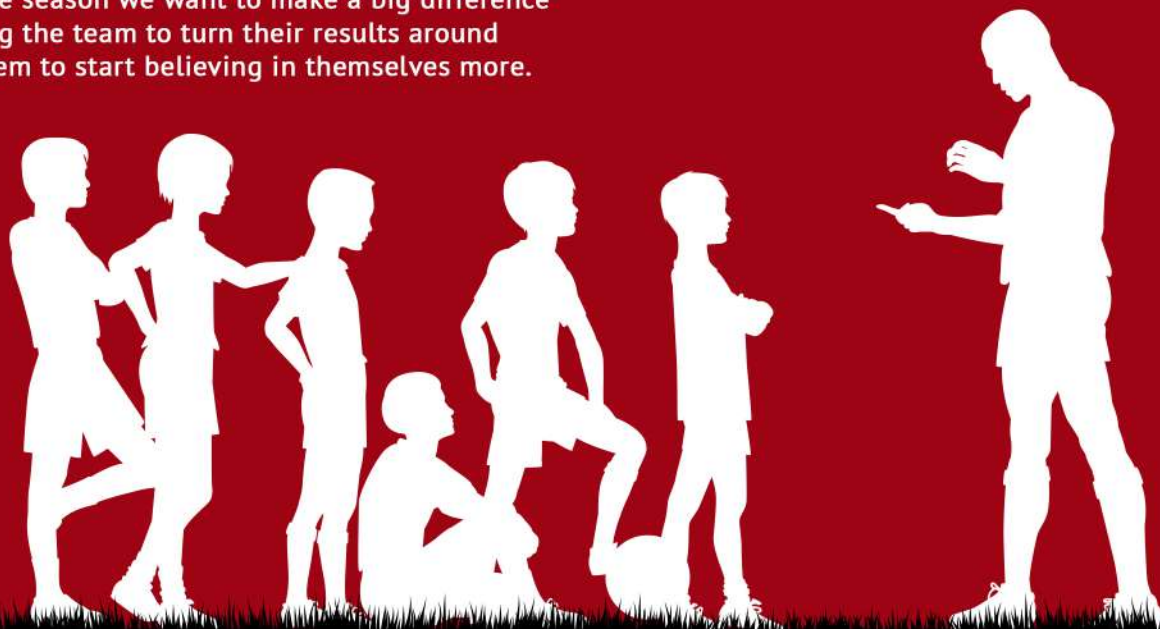

Binfield FC offer a very friendly environment and is an approved FA Standard Charter club. Our first team got to final of the FA Vase at Wembley last season, inspiring everyone at the club.

With England getting to the final of the Euros, this season is the season we want to make a big difference too, inspiring the team to turn their results around and help them to start believing in themselves more.

We are keen for you to help with:

- Picking the team
- Advising on formation
- Designing and running drills
- Addressing our tackling, pressing, shooting, player communication and technical skills
- Goalkeeper training

You will need to go through a full DBS check that the club will pay for.

If you're interested, please contact me Dylan Lees-Jones on **07843 045155** for a chat or email me at: dylanlj@gmail.com
