# WELCOME TO BINFIELD FC

## From Our Chairman, Andy Cotton

A very warm welcome to the ICONIC Stadium for this evening's Pitching In Isthmian South Central League game against South Park Football Club .

If you're reading this programme then tonight's game should be about to be called off anytime now, and if not, then we've been extremely lucky! This weather continues to reek havoc on our planning and fixtures and everyone is hugely disappointed to see games called off at the last minute, but unfortunately it's just something we all have to deal with.

South Park come to the Iconic in a reasonable run of form and are going to be pushing for a play off place this season. The Moles are quickly adapting to our new manger's style of play and together with some exciting new signings, everyone at the club is excited to see our progress continue...

We were desperately unlucky not to come away with points from our last outing against an improved and robust Ascot United side.

Both sides have a lot to play for tonight, and the rest of the season, so it's bound to be a cracker!

hello@wearelens.co.uk wearelens.co.uk

Good evening everyone, I hope everyone is wrapped up warm for tonight's fixture! I'd like to wish a very warm welcome to the management, players, officials and fans of South Park Football Club. We hope you enjoy your stay with us and wish you a safe journey home after the game, especially in these conditions.

It was great to get some Friday night Football at the Iconic Stadium, last week, with a decent crowd in to watch too. I thought it was a good local derby game against Ascot United and a solid advert for Step 4 football. Apart from the result, I was pleased with some of the debuts & 1st home games for some of the players I've added to the squad, it was committed performance from my players & character shown through out. I like my team to reflect me as a manager & I felt we took some good strides in the right direction on Friday night to do that.

The players, my management team & I, were really grateful for your positive support & vibes, following the game, on behalf of my team & I, this means a lot, I know we are going to need everyone of you, to make this great escape happen. I know if we all stick together, we'll have a better chance in making it happen. I definitely believe...

I am delighted to add Charles Stallard back to my Management team & back to the club. Charlie will come in as my GK Coach, he is fully ready for the help the Club achieve its goals.

Let's hope it's tonight we achieve our 1st win of the season.

Enjoy the game. Rosco

## BINFIELD FC HISTORY

Binfield FC first played in 1892, during the reign of Queen Victoria, making us one of the oldest Association Football clubs in the world! The team comprised young men from the local brickworks and those who worked on the land around Binfield. The club's early years were spent in the Ascot and District League, where we enjoyed many successful seasons winning the Fielden Cup for the first time in 1924 and on eleven further occasions since.

During the 2nd World War, we joined the Great Western Combination League, winning the championship in 1947.

In 1980, the club made an important decision to move from Forest Road, where facilities were shared with the cricket club, to our current site in Hill Farm Lane. Turning that field into the football ground we see today was a massive task. Thanks to an enormous amount of physical work by the members of the club the area was levelled and drained within three years. The members then set about building the club house. This progress off the field was matched on it when in 1987 and 1988 we won Division 2 and then Division 1 of the Reading and District League. In 1989, we joined the high-profile Charrington Chiltonian League, winning the Division 1 title at the first attempt.

In 2001 we merged with Binfield's junior club, Binfield Forest FC, and in doing so significantly increased the member-ship, with over 20 teams playing every weekend – this season we will field 36 teams each week.

We constantly strive to improve all elements of the facilities from changing rooms to a playing surface we are extremely proud of, to benefit everyone from our Under 6s up to our 1st Team. Binfield entered the FA Vase for the first time in season 2008-09 and enjoyed three rounds, before reaching the 4th round (last 32) in 2011/12 in an incredible season of cup success. The 2011/12 team is the most successful in our history, winning both the Berks & Bucks FA Senior Trophy and the AM Print & Copy Floodlit Cup in five glorious April 2012 days. We also reached the final of the Hellenic Challenge Cup.

In the two Covid disrupted seasons, the first team were sitting in second place in the Hellenic Premier. Positions when used to calculate points per game resulted in promotion to the Isthmian League South Centre, our 1st season ever at Step 4. However the 2020/21 season will, of course, be remembered for our amazing run in the Buildbase FA Vase when playing every game behind closed doors bar one and all away from home we reached the Final at Wembley where we came up against a very good Warrington Rylands side and narrowly lost 3-2.

# U23'S DEVELOPMENT UPDATE

Our U23's development side ran out 4-2 winners on Saturday 13th January as they faced Newbury Town FC at THE ICONIC STADIUM.

With Newbury taking the three-points when the two sides met on the opening day of the season, it was important for the Young Moles to get revenge on a chilly afternoon at home.

The young moles took the lead before half-time thanks to a Sam Applegarth goal. The Moles then doubled their lead

through Applegarth again! Newbury reacted well though and halved the deficit in the 54th minute through Jamie Goddard. The Young Moles battled bravely though, and Applegarth grabbed his third of the afternoon, before Reegan Artman slotted home to make it 4-1.

It was Newbury who grabbed the final goal though, this time through Ben Wickens who reduced the deficit again, but it was too little too late for his side

to produce a come-back on the afternoon. The result means that the Moles leapfrog Newbury into 3rd in the table, with both sides level on points, and just three points off table-toppers Reading YMCA Rapids, who the Moles host on February 2nd.

Next up for the boys though is Maidenhead Town Reserves , who are 2nd in the table and should prove to be a tough test!

# INTRODUCING OUR VISITORS

South Park Football Club was formed in 1897 and immediately became founder members of the Redhill & District Football League along with other local clubs Godstone, Meadvale and Reigate Priory Reserves. The club remain members of the league today.

The football club flourished in the years leading to the Second Great War but obviously declined during and immediately after it. A handful of stewards rallied to the cause however and quickly resurrected its fortunes. One legacy of the hostilities, the air raid shelter, became the focus of attention when it became clear that further improvements were needed to the facilities if sporting aspirations were to be advanced. Thus it was that a shower room and toilet block and a modest clubhouse were attached to this building. Funding for this was achieved through the tireless efforts of the 'Friends of South Park Sports Association' organisation. Despite these commendable efforts, the Association lived for many years on a hand to mouth basis with the management all too frequently having to put their hands into their own pockets to ensure its survival.

2001 saw Reigate Town Football Club move to South Park and the club became known as South Park & Reigate Town Football Club. In 2002 the club saw the formation of the first girl's team to play under the clubs name and we now have four girl's teams. The following the year saw the introduction of the youth team who are currently playing in the Southern Youth Floodlight League. The youth team played their home matches at Merstham Football Club from 2003–2007 as at the time we did not have floodlights.

For the 2003/04 season the club reverted back to its original name of South Park Football Club. In February 2004 the club became only the fifth in Surrey to be awarded the status of 'FA Charter Standard Community Club'. In 2006 the first team were promoted to the Combined Counties Football League and as our new changing facilities were being built played their home matches at Cranleigh. In their first season in the Combined Counties League the team finished in seventh place in the league. 2007 saw the completion of our new changing rooms and the erection of floodlights around our main pitch. This ensured that our first and youth teams could now play their home matches in South Park. The 2013/14 season saw South Park win the Combined Counties League Premier Division and in doing so gain promotion to the Isthmian League Division One South. Our first season at step four saw us finish in a creditable 14th position. Each season has seen us improve on the previous season's league position with an 8th place finish in 2016/17. The 2016/17 season also saw us reach the 2nd Round of the FA Trophy where we drawn away to Tranmere Rovers. South Park finished the 2017/18 season in 13th place in the league. They also reached the semi finals of the Surrey Senior Cup for the first time.

The Sparks made a solid start to the 2019/20 season however manager Jay Lovett resigned at the beginning of November to take up a similar position at Burgess Hill. Martin Dynan was appointed as Manager in mid November. He guided Park to the ¼ finals of the Surrey Senior Cup and maintained their mid table position before the season was abruptly halted due to the Covid 19 pandemic. The 2020/21 season curtailed after 8 games due the pandemic. The 2021/22 season saw Park sitting in mid table in late January when Martin Dynan resigned. The club acted swiftly and appointed Redhill Manager Harrison Williams. Harrison and his management team settled in quickly and Park finished in 9th place in the league. Harrison resigned at the end of November 2022. Assistant Manager Tom Cope was appointed manager and the side matched the previous years finish of 9th place in the league with a higher points total.

Ahead of the 2022/23 season the club name was amended to South Park (Reigate) FC.

It must also be noted that without the tireless efforts of the late Fred Dearmun, Geof Thatcher, Ray Wilson and Geof Arnold to name but a few, the club would not be in the position it is today.

## It was a fine day for Thatcham and Westfield, Marlow get three on the road, whilst Met and the Baggies draw

The South Central postponement bingo card was in operation prior to kick off, and it left us with only four fixtures.

Marlow put their three consecutive defeats behind them when defeating Sutton Common Rovers on Wednesday night, and looked to build on that as they travelled to Uxbridge. Their away form was actually better than their form at Oak Tree Road, so the trip to Honeycroft won't have been thought too much of a burden, particularly as their hosts have gone four without a win- and they were ahead after just three minutes, Dawid Rogalski scoring for the twenty fourth time this season. It was two-nil only three minutes later, Khalid Simmo scoring for the second time this week, and although the hosts were back in the match midway through the half after Mahlondo Martin converted from the spot, Rogalski had another just before the break to make it three-one at half time. The second half had no further goals, but Marlow won't care. They remain fifth, eight points behind the leaders, albeit with a game in hand.

Westfield were hoping to retake their place in the top five as they welcomed Hartley Wintney. The Woking side had won their last four and been rather impressive, and had an unbeaten run that was seven games long- and it showed, as they were out of sight by half time. Jacob Breckon opened the scoring on ten minutes, and then ten minutes before the break he broke through the visiting defence once more, scoring his tenth of the season. It was three-nil just before half time, Andrew Crossley with that one, and there must have been a feeling of deja-vu for Hartley Wintney, as they lost four-nil to these opponents in October, all of those goals also arriving before the break. The visitors decided that they would try to make a game of it, IK Hill getting a goal back on fifty six minutes, but within two minutes we were at the other end and Breckon was claiming the match ball. Right at the end Jordan Alves made it five-one, and that was finally that- but they remain sixth, outside the top five only on goal difference.

Thatcham Town were one of our form sides, with only one defeat in ten- and the Kingfishers were on the road to the Racecourse, where they took on Ascot United looking to do the double over the Yellas. The early stages were packed with goals. Muhamadou Ceesay put Town ahead after just three minutes, only for Taylor Morgan to quickly level, but the visitors were ahead again as David Nyarko got his tenth of the season on twelve minutes and three-one up before the break, Harry Hoath giving his side a cushion. After the break the traffic was one way, the Kingfishers adding a fourth and a fifth, Kyle Daniel-Spray and Ceesay doing more damage, and they climb to seventh.

LAST WEEK, four clubs flew the flag for the Non-League game in the third round of the FA Cup – and each one of them played their part in an occasion that will live on in history.

Big upsets, ten-man triumphs, last-gasp heartache, and record-breaking crowds, our laststanding quartet were involved in it all.

It embodied what the FA Cup is all about.

But, sadly, if you are a fan of a certain age or if you can't wait up 'til near midnight to watch the highlights on Match of the Day, the chances are the achievements of our fab four may have passed you by.

Of the 32 matches over the weekend, six were broadcast live on TV and a further two on BBC iPlayer and the Red Button.

Sadly, none of these six matches involved our Non-League clubs – in fact Wigan Athletic were the only team not in the top two divisions to feature with their visit of Manchester United taking the Monday night slot.

Along with Chesterfield and Eastleigh, National League South Maidstone United – the <u>lowest-ranked side left</u> in the competition - were handed the graveyard 3pm Saturday slot and only three cameras were at the Gallagher Stadium to witness George Elokobi's men produce the shock of the round in beating League One Stevenage 1-0, sparking a joyous pitch invasion afterwards.

Aldershot Town's trip to West Bromwich Albion was put back to 2pm on Sunday and was shown live by various broadcasters in 39 different countries worldwide. Incredibly, the UK was not one of them.

As well as fans around the country being denied the opportunity watch the FA Cup magic unfold, the clubs cruelly missed out too with each of the 12 teams selected for live coverage receiving a tidy £85,000 on top of their prize money – life-changing sums for the majority of clubs at our level but pocket change to the Premier League elite.

"Most people are amazed the cameras are not here," said Maidstone co-owner Oliver Ash. "I get that more people support Everton and Crystal Palace so the TV companies think they will get more viewers than Maidstone.

"But it is a shame because the competition is all about games like ours - the lowest-ranked club in the competition against a side that could well be in the Championship next year. "It would have been wonderful TV. It is all about the magic of the FA Cup - it is so wonderful for

the spirit of the club, the community and the town.
