# WELCOME TO BINFIELD FC

From Our Chairman,  
Andy Cotton

Binfield FC offer a very warm welcome to everyone for today's Isthmian South Central League fixture against Southall FC.

I would like to start my message by wishing our player TyleyD'Cruz, all the very best following his injury last week. As I have already done so in a public statement, I would just like to re-iterate how enormously grateful we all are to our respective club medical teams and coaching staff members for looking after Tyler. For those of us who were in personal attendance on the day, we won't forget the experience. In a hurry. Whilst it was great to record our first league win of the season, it was a timely reminder to all of us that winning is not necessarily the biggest priority. Albeit that it was very welcome.

Our performance last week was a real credit to our new young squad. The Manager has definitely been working overtime in the background. Ross' recruitment has been bold and the training that he and the coaching staff have been doing is starting to make a real difference. With nearly 60 points still to play for this season, we are quietly going on with our business and hope to surprise a lot more people between now and the end of the season.

Our last home game against Ascot saw the Moles put in a very positive display. Disappointed not to come away with something from the game, many of us were delighted to see some very robust defending which was hugely encouraging. It was also noticeable that the tempo of the side was much more energetic than previous performances.

With so many games getting called off over the past couple of months, we are all keeping everything crossed that the weather starts to settle down and give us all the opportunity to work through a busy fixture schedule.

To all the Southall Players, Managers & Officials, we welcome you all to the ICONIC Stadium here at Binfield FC.

"C'mon you Moles"

Andy Cotton

# BINFIELD FC HISTORY

Binfield FC first played in 1892, during the reign of Queen Victoria, making us one of the oldest Association Football clubs in the world! The team comprised young men from the local brickworks and those who worked on the land around Binfield. The club's early years were spent in the Ascot and District League, where we enjoyed many successful seasons winning the Fielden Cup for the first time in 1924 and on eleven further occasions since.

During the 2nd World War, we joined the Great Western Combination League, winning the championship in 1947.

In 1980, the club made an important decision to move from Forest Road, where facilities were shared with the cricket club, to our current site in Hill Farm Lane. Turning that field into the football ground we see today was a massive task. Thanks to an enormous amount of physical work by the members of the club the area was levelled and drained within three years. The members then set about building the club house. This progress off the field was matched on it when in 1987 and 1988 we won Division 2 and then Division 1 of the Reading and District League. In 1989, we joined the high-profile Charrington Chiltonian League, winning the Division 1 title at the first attempt.

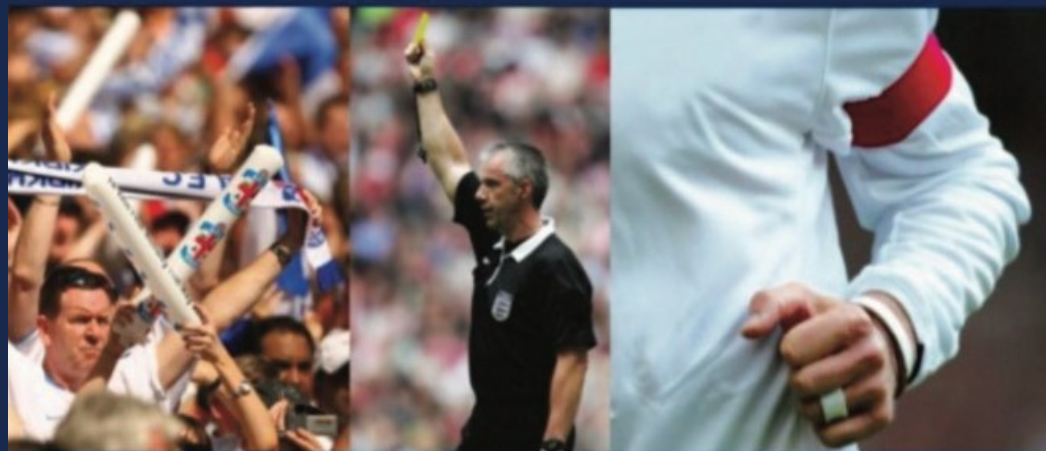

In 2001 we merged with Binfield's junior club, Binfield Forest FC, and in doing so significantly increased the member-ship, with over 20 teams playing every weekend – this season we will field 36 teams each week.

We constantly strive to improve all elements of the facilities from changing rooms to a playing surface we are extremely proud of, to benefit everyone from our Under 6s up to our 1st Team. Binfield entered the FA Vase for the first time in season 2008-09 and enjoyed three rounds, before reaching the 4th round (last 32) in 2011/12 in an incredible season of cup success. The 2011/12 team is the most successful in our history, winning both the Berks & Bucks FA Senior Trophy and the AM Print & Copy Floodlit Cup in five glorious April 2012 days. We also reached the final of the Hellenic Challenge Cup.

In the two Covid disrupted seasons, the first team were sitting in second place in the Hellenic Premier. Positions when used to calculate points per game resulted in promotion to the Isthmian League South Centre, our 1st season ever at Step 4. However the 2020/21 season will, of course, be remembered for our amazing run in the Buildbase FA Vase when playing every game behind closed doors bar one and all away from home we reached the Final at Wembley where we came up against a very good Warrington Rylands side and narrowly lost 3-2.

## Manager - Ross Weatherstone

Good afternoon everyone, I'd like to wish a very warm welcome to the management, players, officials and fans of Southall Football Club. We hope you enjoy your stay with us and wish you a safe journey home after the game, especially in these conditions.

I am delighted to get my first 3 points and the football club's first win of the season, with all the hard work on the training pitch and in the last game versus Ascot, I was confident the result was coming.

Before I go into detail of the last 2 games, I would like to address the Tyler Cruz incident. I am delighted to confirm Tyler is now at home, with Family recovering. I would like to put on record that he has my management team, players and my personal support throughout his recovery, it was scary for all the players and the management team to witness what went on in our dressing room after the game, especially after a well earned win, I have never witnessed anything like that in all my time in football. The work of Salil, Bully, Bowes, Charlie, Connors Grandad and the Chairman to save Tyler's life was incredible and something that will live with me forever. I truly feel that what went on, will only bring the whole team together more, I feel it gives the whole environment more reason and more strength to keep the club in this division.

It was great to get some Friday night Football at the Iconic Stadium, 2 weeks ago, with a decent crowd in to watch too. I thought it was a good local derby game against Ascot United and a solid advert for Step 4 football. Apart from the result, I was pleased with some of the debuts & 1st home games for some of the players I've added to the squad, it was a committed performance from my players & character shown throughout. I like my team to reflect me as a manager & I felt we took some good strides in the right direction on Friday night to do that.

The players, my management team & I, were really grateful for your positive support & vibes, following the game against Ascot, I believe the positivity you gave us as fans, was a real driver for us to go and get the result against Met Police FC. It was touch and go if the game was going to be on, as soon as we got the green light at 12.30pm, I knew I had my players prepared and ready. We started the game well, going 1-0 up with a great strike from Ben but went in at half time 1-1, after conceding a goal that I feel we could have defended better. With all that taken into consideration, my plan since I have come into the club, has been to develop the personality and character in the team, I saw this come out in my team in that 2nd half at Met Police FC, we scored a great goal in and around the 60th minute, we lost Tyler around the 80th minute, we then defended with real strength of character to get the 3 points. The players can take real confidence from this, I will be encouraging them to replicate this in the coming games, where we will be playing 3 teams competing for promotion and playoff positions. For us to pick up results in the coming games, I know we are going to need the support of everyone. I still believe if we all stick together, we'll have a better chance in making it happen. I definitely believe...

I am delighted to add Charles Stallard back to my Management team & back to the club. Charlie will come in as my GK Coach. He was part of the successful set up previously and knows the club and people involved very well.

Let's hope it's tonight we achieve our 1st home win of the season.

Enjoy the game.

Rosco

# THE BIG PREVIEW

## BINFIELD VS SOUTHALL

The Moles host Southall this afternoon off the back of their first victory in the league this season at Metropolitan Police. But the Moles still sit 12 points from safety and you will struggle to find a tougher test than this Southall side who sit in second and looking to put their midweek defeat to Met. Police behind them.

Southall have been one of the form teams this season with Jaden Thompson-Brissett leading the goal scoring stats with 26 including a hat-trick in the reserve leg. The addition of Brendan Matthews from Ascot has been an asset up front, already scoring in his three appearances so far for the club. Ryan Hope has been ever-present for Southall this season featuring in every single league game, while Connor Holland will be returning to the Iconic for the first time after his spell for the Moles last season.

The new-look Moles side under Ross Weatherstone have put in two strong performances against Ascot and Met Police in 2024 with them getting the points in the latter. Any set-pieces that the Moles get around the box, keep an eye out for Ben Stallard after his incredible effort last week. With new signings coming in, Binfield are growing stronger game after game but this will be tested to the maximum against this strong Southall side today where they will be looking to show how far they have come since the reverse game last September.

### Head to Head:

With Binfield's promotion to Step 4 during Covid, the two teams have only met three times in the Isthmian League. Southall have a 100% record from their two games played at the 1878 Stadium but both teams will be looking for their first victory against each other at the Iconic.

**All Time:** Binfield: 0, Draw: 1, Southall: 2

**At the Iconic:** Binfield 0, Draw: 1, Southall: 0

### ***Earlier This Season:***

The Moles travelled to the 1878 Stadium earlier on in the season where the two teams were in very contrasting positions on their team journey. Hat-tricks from Jaden Thompson-Brissett and William Montague capped off at strong Southall performance, giving them the three points. Both teams ended the game with 10 men after an altercation in the second half.

### ***Last Time at the Iconic Stadium:***

Southall visited Hill Farm Lane last year with both teams having the opportunity to break into the playoff positions. But the points were shared after Conor Lynch put the Moles ahead on his debut after closing down keeper, Berkley Laurencin. But Luke Henneghan equalised before half-time after pouncing on a loose ball. Binfield had a golden opportunity to take the lead when Kevin Diomande was dismissed after taking out Kai Hobbs but substitute Brad Pagliaroli was unable to convert from the spot and the points were shared.

# INTRODUCING OUR VISITORS

Southall Football Club is one of the oldest clubs in the South East of England having been founded in March 1871, their first match being a 1-0 defeat against local neighbours Uxbridge played at Southall Park on October 21st 1871. Southall quickly established themselves as a major club locally and entered the FA Cup in the 3rd year of the competition. Uxbridge remained their main local rivals during the first few decades since the founding of both clubs in 1871. Southall joined the prestigious Southern League for the 1896-97 season, during which time they regularly played the likes of Brentford, Fulham, Watford, Brighton & Hove Albion and Wycombe Wanderers. Southall used several grounds in the town before finally settling in at their Western Road ground in 1906, after merging with Southall Athletic FC. Western Road remained their home until the early 1990's.

The most successful period for the club was between the 1920's up to the 1960's, when crowds numbering in the thousands regularly attended, especially for games against local rivals such as Hayes, Hounslow and Uxbridge and the club produced several Amateur Internationals and players that went on to join professional clubs during this period. For the big away games and important cup ties away from home coaches and trains were often chartered for the locals to follow the club's exploits.

In 1925 Southall reached the Final of the FA Amateur Cup, when they narrowly lost to Clapton 2-1 at Millwall FC in front of over 25,000 spectators and won the Athenian League title in 1926-27. Another momentous season occurred in 1935-36 when Southall recorded 17 consecutive cup victories in various competitions. During this season they became the first non-league club to start in the FA Cup Extra Preliminary Round and reach the 3rd Round Proper before finally losing to Third Division South professionals Watford in front of Western Road's record gate of 19,094. They also beat Third Division South club Swindon Town at home 3-1 in the FA Cup 1st Round. Their cup exploits that season meant that they had to play 23 matches between 1st April and 2nd May, which included 2 games on the same day twice!

The club were forced to take the decision to sell their ground to the local Council in 1940 due to financial pressures during World War II and became tenants of the Council for the rest of that ground's existence.

Southall have also played big Amateur Cup matches at Stamford Bridge, Highbury & Craven Cottage, all in front of over 20,000 fans. The club's last big cup day out was for the 1986 FA Vase Final at Wembley. In the 1970's and 1980's future full England Internationals Gordon Hill, Alan Devonshire, and Les Ferdinand played for Southall in their younger days.

Western Road was the arguably finest non-league ground in the area, regularly being selected to host finals and semi-finals of local and county cup competitions. It had a fine clubhouse, which regularly held many social events and was hired out by local clubs and societies as well as regularly being a venue for local bands to play at. Unfortunately, Ealing Council closed Western Road in the early 1990's and eventually awarded the replacement site to a breakaway club, which folded soon after. Southall FC has been forced to share grounds since this time but are hopeful of finding a suitable site back in the town in the near future.

Having been in the doldrums in terms of league performances since the late 1990's, Southall won the Spartan South Midlands League Division 1 title in 2017-18, their first championship for 91 years. This also earned them their 2nd promotion in the 2010's and secured a spot back on the Combined Counties Premier Division. The league reorganisation for the 2021-22 season saw Southall in the Premier Division North. An exciting season was played out with cup runs in the FA Vase (1/4 final), Middlesex Charity Cup (semi-final) and League Cup (finalists), but more importantly the league Runners up spot was secured, which heralded promotion back to the Isthmian League.

A solid first season in the Isthmian South Central Division ended with a mid-table finish. With negotiations with Ealing Council for a new ground back in the town were seemingly heading in the right direction but a lack of progress over the last few months has left fans and club officials somewhat frustrated. All involved with Southall FC are hopeful of better times ahead.

# YOUNG MOLES WATCH

Our U23's development side ran out 4-2 winners on Saturday 13th January as they faced Newbury Town FC at THE ICONIC STADIUM.

With Newbury taking the three-points when the two sides met on the opening day of the season, it was important for the Young Moles to get revenge on a chilly afternoon at home.

The young moles took the lead before half-time thanks to a Sam Applegarth goal. The Moles then doubled their lead

through Applegarth again! Newbury reacted well though and halved the deficit in the 54th minute through Jamie Goddard. The Young Moles battled bravely though, and Applegarth grabbed his third of the afternoon, before Reagan Artman slotted home to make it 4-1.

It was Newbury who grabbed the final goal though, this time through Ben Wickens who reduced the deficit again, but it was too little too late for his side to produce a come-back on the afternoon.

The result means that the Moles leapfrog Newbury into 4th in the table, with both sides level on points, and just three points off table-toppers Reading YMCA Rapids, who the Moles host on February 2nd.

Next up for the boys is a trip to Goring United where they will look to continue their momentum.

## **Chertsey stay top after a Honeycroft massacre, Southall just behind, Marlow hit Vale for four, Hartley Wintney are sixth, Binfield get that elusive first win, and Guernsey win late**

Leaders Chertsey Town headed to Uxbridge knowing that they might well need a victory to stay ahead of Southall- and they had it wrapped up within little more than half an hour. Oliver McCoy opened the scoring after just twelve minutes, and the visitors were then helped out- not that they needed help- as Shaun Preddie was dismissed for the hosts. On twenty six minutes the Curfews went two goals up, Gianluca Botti with that one, and it was three-nil soon afterwards, Botti with another. McCoy made it four with just under half an hour remaining, and there was still no mercy from Chertsey, as Botti claimed the match ball eleven minutes from time, making it five-nil. It was six-nil right at the end, as Botti completed a perfect afternoon for himself and his side, who have averaged nearly three goals a game so far this season and stay top on goal difference.

Southall welcomed Sutton Common Rovers, The All looking for a seventh straight win. Rovers looked like they might frustrate their hosts ambitions, but the deadlock was finally broken seventeen minutes from time, Brendan Matthew with his fourth Southall goal and twenty fifth of the season. That wasn't the final action, however, as with two minutes to go home goalkeeper Charles Patmore was given a red card, but it made no difference to the outcome despite striker Anthony O'Connor taking the gloves for the last few minutes. The All have fifty four points, the same as the leaders and six more than third place Leatherhead.

Marlow travelled to Raynes Park Vale in a clash of the promotion chasers. Vale's recent form has been rather patchy- they were five without a win- and if there was a shortage of confidence Marlow quickly took advantage, going three-nil up within twenty one minutes, Naheer-Omar Nawaf's opener on ten minutes followed by a speedy Dave Tarpey double. The hosts got back into the match when Nathan Lewis reduced the arrears just after the half hour, but that was as good as it got for them, and right at the end Joshua Boorn added a fourth for Marlow, who go four points ahead of their hosts in fourth place.

Our early kick off saw Guernsey welcome Thatcham Town to the Channel Islands. The Green Lions defeat against Badshot Lea last time out had been their first in four matches, whilst the Kingfishers had only lost one of their previous ten, so we expected this one to be tight. The hosts went ahead midway through the first half, the ever-reliable Matt Loaring scoring for the eighth time this season- that's four in five matches for Matt- and the chances of a Town comeback were reduced when Callum Willmouth was dismissed four minutes before half time. Ten minutes from the end the hosts gave the Kingfishers hope when joining them on ten men, David Merris dismissed, and they quickly capitalised, Owen Clark with the equaliser. Could either side get a winner? They could- and it was the hosts. Four minutes from time Ross Allen restored their lead, and two minutes later Charlton Gauvain made things rather more comfortable, making it three-one.

THIS week, we had the pleasure of talking to Warrington Town goalkeeper Dan Atherton, who has discovered a rather handy penchant for scoring goals.

Golden boy Dan, the former New Saints and Hyde United stopper, netted the first goal of his career back in October to earn Mark Beesley's side a last-gasp 1-1 home draw with Farsley Celtic in National League North.

And he was at it again a fortnight ago, popping up to dramatically head home another last-minute leveller for the Wire in a 2-2 draw with Alfreton Town.

Somewhat humbly, Dan put his goalscoring prowess down to being in the right place at the right time, but whether you wear the number one jersey or 100, having that natural predatory instinct is an art in itself.

"I have no idea where it's come from, it's certainly not planned," Atherton told us. "I'm just glad to be able to contribute to the team. Even when I go up for a corner, I'm not really intending to score; I'm just looking to take a runner or two away and cause a bit of chaos. Fortunately, I've managed to get my head on a couple and they've gone in!"

A Liverpool trainee from the age of 11, Atherton learned his trade from the very top and put his ball skills down to working at the Melwood Training Ground with Pepijn Lijnders, the Reds' former Under 16 coach who is now Jurgen Klopp's first-team assistant.

There, he trained alongside Brazilian first choice keeper Allison, who famously scored a 95th-minute winner for Liverpool at West Bromwich Albion in May 2021 to earn Klopp's men a Champions League place.

Just having that extra strapping body in the box for a last-gasp corner or free-kick is enough to throw opposition defences, even more so these days with goalkeepers coached to be as comfortable with the ball at their feet than their outfield counterparts.

Who can remember enigmatic Paraguanayan José Luis Chilavert? He was a free-kick expert for club and country and scored 67 times during his career, including eight for Paraguay. He is also the only goalkeeper ever to score a hat-trick.

The record for most goals scored by goalkeeper is held by the Brazilian Rogério Ceni, with 129. He scored his 100th goal in a 3-0 win for São Paulo on in 2011.

Two goalkeeper records, however, have been set in English football. On November 2 2013, Stoke City goalkeeper Asmir Begović recorded the fastest goalkeeper goal in football history (13 seconds), while Newport County's Tom King scored from the longest distance – 96.01 metres, in a match against Cheltenham Town in January 2021.

So, the next time your team are a goal down and in need of a saviour, don't be surprised to see your big number one surging up the field to provide some divine intervention. Like Dan Atherton, he could be your unlikely hero.
