WELCOME TO BINFIELD FC

From Our Chairman,
Andy Cotton

A warm welcome to Hill Farm Lane for today's FA Cup game vs. Winslow FC.

There's always a special buzz in the air when the FA Cup rolls into town—the most prestigious competition in English football, where every club, no matter its size, dares to dream of glory. We hope it's a cracking game today with both teams working that bit harder as there's nothing like an FA Cup fixture.

You may notice things look a little different around the club today. That's thanks to our incredible team of volunteers who have been working tirelessly throughout the summer. A few upgrades worth noting:

- [] New enclosure screening installed along Mosses Lane
- [] New steps fitted outside the clubhouse for better access
- [] Both home and away dressing rooms have undergone a fresh makeover
- [] The pitch has seen more care and attention than ever before—expect a slick surface for today's match!

Ross and the management team have been hard at work, leading an exciting rebuild of the squad. There's a real sense of momentum behind the scenes, and we can't wait to see how this new chapter unfolds—starting with today's clash.

We hope our visitors enjoy our lovely little ground and our hospitality. To all the staff, players, officials and supporters of Winslow Football Club, we hope you all have a great day here at the home of the Moles and have a safe journey home.

Cmon you Moles

Andy Cotton - Club Chairman

BINFIELD FC HISTORY

Binfield FC first played in 1892, during the reign of Queen Victoria, making us one of the oldest Association Football clubs in the world! The team comprised young men from the local brickworks and those who worked on the land around Binfield. The club's early years were spent in the Ascot and District League, where we enjoyed many successful seasons winning the Fielden Cup for the first time in 1924 and on eleven further occasions since.

During the 2nd World War, we joined the Great Western Combination League, winning the championship in 1947. During that period we also won the Berks and Bucks Junior Cup and the Maidenhead Norfolkian Cup and it was not unusual to see crowds in excess of 1,000 at our Forest Road ground.

In 1950 we joined the Reading and District League, where we remained for the next forty years. In 1972 Binfield won promotion to the Premier Division for the first time and although relegated two years later we returned in 1976 as 1st Division Champions. A huge crowd, reminiscent of the 1940's, packed Forest Road to witness our promotion. In 1980, the club made an important decision to move from Forest Road, where facilities were shared with the cricket club, to our current site in Hill Farm Lane. Turning that field into the football ground we see today was a massive task. Thanks to an enormous amount of physical work by the members of the club the area was levelled and drained within three years. The members then set about building the club house. This progress off the field was matched on it when in 1987 and 1988 we won Division 2 and then Division 1 of the Reading and District League. In 1989, we joined the high-profile Charrington Chiltonian League, winning the Division 1 title at the first attempt - a feat we repeated in 1996 - and reaching the final of the League Cup. The following year we finished runners-up to Peppard, despite remaining unbeaten from November until the end of the campaign.

In 2001 we merged with Binfield's junior club, Binfield Forest FC, and in doing so significantly increased the member-ship, with over 20 teams playing every weekend - this season we will field 36 teams each week. The junior part of the club is very important to Binfield with FA Charter status having been achieved in 2007 and in 2013 we were awarded the Berks & Bucks FA and South East Regional FA Charter Status Community Club of the Year awards, culminating in the club being invited to the FA Community Shield at Wembley in August 2013.

Since 2005, progress at the club has been swift, with the addition of floodlights and later a seated stand. The club is tirelessly working to improve our facilities with our "continuous improvement" plan making further change to the car park, to the club house and a new stand around our Tea Bar. We constantly strive to improve all elements of the facilities from changing rooms to a playing surface we are extremely proud of, to benefit everyone from our Under 6s up to our 1st Team. We won the FTL Hellenic League Division 1 East title in 2008-09 and gained promotion to the next level of English football, where we finished runners up in the 2010/11 UHlsport Hellenic Premier Division, 3rd in 2012/13 and 5th in 2014.

August 15th 2009 will long be remembered as Binfield's first game in the legendary FA Cup - and we have enjoyed some good runs reaching the 1st Qualifying round in each of the last two seasons with 400 supporters enjoying the visit of Margate in 2010 and a trip to Slough Town and narrow defeat in 2011. In 2013 the side reached the 2nd Qualifying round, losing to a 96th minute free kick as Leatherhead came from behind. Binfield entered the FA Vase for the first time in season 2008-09 and enjoyed three rounds, before reaching the 4th round (last 32) in 2011/12 in an incredible season of cup success. The 2011/12 team is the most successful in our history, winning both the Berks & Bucks FA Senior Trophy and the AM Print & Copy Floodlit Cup in five glorious April 2012 days. We also reached the final of the Hellenic Challenge Cup.

In the two Covid disrupted seasons, the first team were sitting in second place in the Hellenic Premier. Positions when used to calculate points per game resulted in promotion to the Isthmian League South Centre, our 1st season ever at Step 4. However the 2020/21 season will, of course, be remembered for our amazing run in the Buildbase FA Vase when playing every game behind closed doors bar one and all away from home we reached the Final at Wembley where we came up against a very good Warrington Rylands side and narrowly lost 3-2.

In 2021/22 season in the Isthmian South Central, the team finished 8th after a good start. Disappointing FA Cup but a very good run in the Trophy. Winning at North Leigh, Herne Bay before a home win vs Chippenham and finally bowing out against Truro, missing a last minute penalty. In the 2022/23 season, the team finished 6th in the Isthmian South Central - our highest ever league position. In the FA Cup, we reached the 3q round, again our best ever performance, losing 5-3 away to Beckenham Town. In the FA Trophy, we lost in the 1st round proper away to Tavistock.

The 2023/24 will always be remembered as the season of the Great Escape. At Christmas, the team had no wins in the league, only 4 points and were rooted to the bottom of the table. Their only win was a 2-0 victory over Wokingham in the FA Cup. They were knocked out of the FA Cup after a replay at Northwood. There was poor performances in the FA Trophy and Velocity Cups with 7-1 and 6-0 defeats respectively. A management change just before Christmas with Ross Weatherstone taking charge. In his time in charge, Ross managed to guide the team to their first win against Met Police FC. The team finished with 8 wins and managed to finish 4 points and one position above the relegation zone.

2024/25 was the year of the cup run and giant killings. In the Velocity Cup, the Moles were on the road for every game and made it through to the semi-final beating Premier Division sides Dulwich Hamlet and Hasting United before losing to a strong Billericay Town. In the Berks and Bucks Senior Cup, they defeated National League side Maidenhead United before losing in the quarter finals to Flackwell Heath. In the league, the Moles improved slightly from last season finishing one position higher and with nine more points.

THE VIEW FROM THE DUGOUT

Good afternoon,

Welcome back to Hill Farm Lane, for what I hope is an exciting 2025/26 campaign. Today we host Winslow United FC in the FA Cup and we wish everyone a warm welcome to Binfield FC. I'd like to wish their management team, the players, all the officials and fans a pleasant stay with us and a safe journey home after the game.

I am delighted to inform everyone that I am personally feeling great and still heading in the right direction. Pre Season has been the exact medicine I needed and everything I wanted it to be, with project refresh in full flow! There has been an unbelievable amount of work done by so many during the off season, on the pitch literally and off it. Full credit to the Chairman, Lewis, Borders, Luke, Dave and so many others that have supported to hopefully present a much better playing surface this season. The work done around the ground has been sensational and everyone should be proud of the work done, to continue to make the iconic Stadium a safe place to come and support the moles. We have a brand new home and away kit, which I know the players are excited to wear today. BUT what I am most excited about is, I have freshened up the playing squad, which I am pleased to see how this group can come together, to create a fresh energy on the pitch, to get results for Binfield FC for the coming season. If this group showcases their talents in the way I believe they can, I believe we will get to see some honest & entertaining performances. I hope you all can get behind the new and existing players for the coming season, which we all know will be yet another challenging one, in what I think is one of the hardest Step 4 Leagues in England.

Pre-Season has been the exact challenge that I wanted, for my new squad of players, playing against Burnham FC, Woodley FC, Eversley & California FC, Woking FC U23s, Brockenhurst Town FC, Marlow FC & Hadley FC. All fixtures gave me an opportunity to look at new and existing players. I was never looking at the results, only at performances and how the players executed the information asked from them. Thank you for all your support at all the games, it didn't go unnoticed by my management team and the players.

Today we are all prepared for a tough, physical FA Cup tie against a strong Spartan South Midlands League side who had a solid season last year. The Team are fully prepared that Winslow plan to come here and cause an FA Cup scalp. Everyone is aware that their season started on Tuesday with a solid 1-0 win, so the team will be in full confidence, after 3 points and a clean sheet.

I am pleased to let you all know, the team is fully prepared for the challenge we face today and I know we are planned and organised to give everything for the club to get the result.

I hope you all enjoy the game.

BINFIELD VS WINSLOW UTD

The 2025/26 season is officially HERE! And we start our season at Hill Farm Lane in the FA Cup as we welcome Winslow United. It is a new-look Moles squad that includes some familiar names but the new-season buzz is in full flow and we look forward to seeing you at the Iconic throughout the season.

The FA cup has good memories for the Moles when looking at it from last season. A victory at Hill Farm Lane against Wokingham Town was followed by a sensational nine-one at Longlevens - a record victory for the Moles in the FA Cup. Unfortunately, our journey ended in the next round but all the cup competitions provided a platform for the team last season to kick on and gain some real confidence in the group for the rest of the season.

Our seven pre-season games have allowed Ross and the management team to shape the squad and we're looking forward to seeing it on the pitch starting with this afternoon.

Winslow United's return to Step 5 last season also saw a return to the FA Cup. After getting a strong result and earning a replay against Longlevens, defeat in the reverse leg results in them being out in the extra-preliminary round.

That didn't rock Winslow's return to Step 5 though: five wins from their opening five games eventually saw them finish a solid 10th in their return season and they will be looking to build on that in 2025/26. Harry Scott's brace saw them narrowly miss out on victory in their opening day of the season but Andre Olukanmi goal was the only goal of the game on Tuesday night to make it 3 points from their opening two days.

INTRODUCING OUR VISITORS

WINSLOW UNITED FC

The club was promoted back to Step 5 at the end of 2023-24 via the SSMFL Division 1 play-off final, defeating hosts Northampton Sileby Rangers, 3-1 in the final.

2024-25 saw the club compete at Step 5 for the first time since 1991/92 and they got off to a strong start with five straight wins. This form tailed off, but it was still an enjoyable, solid first campaign in the SSMFL Premier Division as the club finished in 10th position with 44 points from 34 league games.

Since 2017-18 and in the days before end of season play-offs at Step 6, Winslow had gone close to promotion on several occasions. They finished in third place in Division 1 in 2017/18 and matched this in 2018-19. The outbreak of Covid19 put paid to a promotion push in 2019-20 when United were again sat in third place in March 2020.

In 2021-22 it looked as though the club were on for automatic promotion having overtaken Stotfold at the league summit at the beginning of February on the back of a tremendous run. However, a late Stotfold winner at New Roker Park on 12th February brought about a slump in form that ultimately saw Winslow pipped to 2nd place by Ampthill Town on the last day of the season and then succumb to Shefford Town and Campton in the Play-offs. Whilst that tilt at promotion fell just short, there was plenty of entertaining football along the way whilst the club's Under 18 side made it to the 1st Round of the FA Youth Cup before bowing out to Ipswich Town at Portman Road.

Current manager Alex Woodfine and Aaron King stepped in to steady the ship after Paul Bonham had left the club in September 2022, guiding the side to a creditable ninth place finish in 2022/23 and it was Woodfine, assisted by ex-Risborough Rangers and Aylesbury Vale Dynamos manager, Jon Franklin, that led United to Premier Division football in 2023/24 with King top-scoring on the pitch.

HISTORY

The club was formed in 1891. Originally games were played at Great Horwood Road before moving to the current ground, Elmfields Gate, in 1948. The club joined the South Midlands League in 1968 following success in the North Bucks Football League and were Berks & Bucks Junior Cup winners in the preceding 1967-68 season.

United won the SML Division 1 in 1974-75 and enjoyed many successful seasons in the SML Premier Division, recording fifth placed finishes in 1981-82 and 1986-87 as well as reaching the 2nd Round of the FA Vase in 1983-84. The club went into decline in the early 90s and were relegated from the SML Premier Division in 1991-92 having won only 2 games out of 42.

In 2009 Winslow withdrew from Spartan South Midlands football having suffered several 11th hour resignations from management but were back in Division 2 for the 2010-11 season under the management of Damien Wiffin and Kevin Marsden and the season ended well as United lifted the Division 2 Cup, defeating The 61FC 2-0 at Ampthill.

There are currently proposals for a new, bigger club house and changing rooms to replace the existing building that has been there since being opened in 1963.

By Jon Couch

JUST 75 days after Crystal Palace stunned Manchester City to lift the FA Cup at Wembley for the first time in their history, the world's most famous cup competition is back for its latest instalment.

Indeed, it seems almost unfathomable that, in the week the kids break up for their school holidays, the summer is all but over in the world of Non-League football with the 2025-26 campaign already up and running. Where did the time go?

The first name etched in the history books for the new campaign is Sherman Artmeladze. His goal after just two minutes of Soul Tower Hamlets' 5-2 Essex Senior League win at White Ensign last Friday night handed him the accolade as English football's first goalscorer of 2025-26.

It's very rare for The NLP to report on competitive football in the month of July, but it was great to sink our teeth into a bit of league action last Saturday with no fewer than ten Step 5 and 6 leagues kicking off and getting valuable minutes in the tank ahead of this week's potentially lucrative FA Cup opener.

Western League side Ivybridge Town, Westside, of Combined Counties League Division One, and Eastern Counties Leaguers Fakenham Town hit the ground running with seven-day openers, but star of the show was veteran former Notts County striker Craig Westcarr, who hit four goals in Sherwood Colliery's 5-1 opening-day victory at Gresley Rovers in United Counties League Premier North - still banging them in at the age of 40.

So, the perfect pre-cursor then to the big FA Cup curtain-raiser on Friday night with seven matches to whet the appetite for the weekend.

And it's one of those matches which throws up one of those quirky tales from which the FA Cup never fails to disappoint.

When NPL West side Bootle take on Midland Leaguers 1874 Northwich in a big battle of the north-west, it will prove to be a proud day for the Woolley family.

Bootle's attacking midfielder Joe Woolley is a player who loves to dribble and take on his man, but the chances are the man wearing 1874 Northwich colours trying to stop him making forward progress will be his older brother Matt.

And that's not it, as Matt will be able to count on back-up in the form of middle sibling Jack, who completed a transfer from neighbours Winsford United to 1874 this summer.

"I've mentioned to people at work that I'm playing in the FA Cup, and they loved it when I told them I'd be up against two of my brothers - it's an added reason for them to come and watch," Joe told The NLP.

And Matt added: "It's always weird when you come up against your close friends in a game, maybe more so if it's your brother because it's so rare.

"I don't think I've got the better of him yet either, although I do remember him turning up for Christmas dinner once with a big grin on his face after scoring against us for Kidsgrove the previous Saturday.

"Dad [Stewart] will just want us to play well no matter what the result is," added Matt, 1874's record appearance holder and the only player to have featured every season since the club's formation.

"Nobody would choose to play an FA Cup tie as their first competitive game and we'll probably start as underdogs, but we're hoping to catch Bootle cold and sneak through if we can."

This week, the FA Cup trophy paid a visit to Step 5 new boys Harwich & Parkeston, taking their place in the competition for the first time in six years on the club's 150th anniversary.

The Shrimpers have prestigious history in English football, having reached the FA Amateur Cup final in 1953 where they played at the old Wembley Stadium in front of a reported Non-League record crowd of 100,000 people.

Among those in attendance that day was Harwich club president Terry Francis whom, at the age of 87, was at the club's Royal Oak ground to see the FA Cup in all its glory.

"It's a great honour for the club to get the FA Cup here at the Oak," he told The NLP this week. "It's our 150th anniversary later this year so it ties in wonderfully."

So, another year, and another place in history at stake. Who will be the headline makers this time round? The FA Cup is back.
