WELCOME TO BINFIELD FC

From Our Chairman,
Andy Cotton

A very warm welcome to Hill Farm Lane for today's PitchInn Isthmian Division One South Central tie vs. Horndean FC.

It's a bit of a milestone for the Moles, with this coming season being the 5th year in a row of us playing at Step 4. A tough and challenging league, our football club can feel rightly proud of becoming a regular in the division and establishing ourselves as a side which is always able to compete with the very best that we play against. This summer has been a particularly positive one for the club, both on and off the field. Rosco and the management team have assembled a very exciting new squad of uber talented young players for which most of them, will surely be destined to play at a higher level should they make the most of the playing and development opportunities that Binfield FC affords them.

Our pre-season has been hugely positive and if our early season FA Cup win last week is anything to go by, we seem to be coming into the new season with real optimism for the team and our chances to move up the league during the 2025/26 campaign - something we will all cherish and never take for granted.

We faced Horndean at the start of last season at home and we were royally outplayed by a very talented and organised team. Our optimism before this game was short lived back then, so we are keen to start in a more positive fashion this time around. Horndean established themselves as a very capable and professionally run club in their inaugural season in the division. Surprising alot of good sides along the way, Horndean quickly established some much deserved credibility in the league. The Moles will therefore be taking nothing for granted today as we start our league campaign.

As always, let's hope it's another cracking game of football and another great advert for the division.

We hope our visitors enjoy our lovely little ground and our hospitality. To Mick Caitlin the Chairman, and all the staff, players, officials and supporters of Hordean Football Club, we hope you all have a great day here at the home of the Moles and you all have a safe journey home.

Cmon you Moles

Andy Cotton
Binfield Chairman

BINFIELD FC HISTORY

Binfield FC first played in 1892, during the reign of Queen Victoria, making us one of the oldest Association Football clubs in the world! The team comprised young men from the local brickworks and those who worked on the land around Binfield. The club's early years were spent in the Ascot and District League, where we enjoyed many successful seasons winning the Fielden Cup for the first time in 1924 and on eleven further occasions since.

During the 2nd World War, we joined the Great Western Combination League, winning the championship in 1947. During that period we also won the Berks and Bucks Junior Cup and the Maidenhead Norfolkian Cup and it was not unusual to see crowds in excess of 1,000 at our Forest Road ground.

In 1950 we joined the Reading and District League, where we remained for the next forty years. In 1972 Binfield won promotion to the Premier Division for the first time and although relegated two years later we returned in 1976 as 1st Division Champions. A huge crowd, reminiscent of the 1940's, packed Forest Road to witness our promotion. In 1980, the club made an important decision to move from Forest Road, where facilities were shared with the cricket club, to our current site in Hill Farm Lane. Turning that field into the football ground we see today was a massive task. Thanks to an enormous amount of physical work by the members of the club the area was levelled and drained within three years. The members then set about building the club house. This progress off the field was matched on it when in 1987 and 1988 we won Division 2 and then Division 1 of the Reading and District League. In 1989, we joined the high-profile Charrington Chiltonian League, winning the Division 1 title at the first attempt - a feat we repeated in 1996 - and reaching the final of the League Cup. The following year we finished runners-up to Peppard, despite remaining unbeaten from November until the end of the campaign.

In 2001 we merged with Binfield's junior club, Binfield Forest FC, and in doing so significantly increased the member-ship, with over 20 teams playing every weekend - this season we will field 36 teams each week. The junior part of the club is very important to Binfield with FA Charter status having been achieved in 2007 and in 2013 we were awarded the Berks & Bucks FA and South East Regional FA Charter Status Community Club of the Year awards, culminating in the club being invited to the FA Community Shield at Wembley in August 2013.

Since 2005, progress at the club has been swift, with the addition of floodlights and later a seated stand. The club is tirelessly working to improve our facilities with our "continuous improvement" plan making further change to the car park, to the club house and a new stand around our Tea Bar. We constantly strive to improve all elements of the facilities from changing rooms to a playing surface we are extremely proud of, to benefit everyone from our Under 6s up to our 1st Team. We won the FTL Hellenic League Division 1 East title in 2008-09 and gained promotion to the next level of English football, where we finished runners up in the 2010/11 UHlsport Hellenic Premier Division, 3rd in 2012/13 and 5th in 2014.

August 15th 2009 will long be remembered as Binfield's first game in the legendary FA Cup - and we have enjoyed some good runs reaching the 1st Qualifying round in each of the last two seasons with 400 supporters enjoying the visit of Margate in 2010 and a trip to Slough Town and narrow defeat in 2011. In 2013 the side reached the 2nd Qualifying round, losing to a 96th minute free kick as Leatherhead came from behind. Binfield entered the FA Vase for the first time in season 2008-09 and enjoyed three rounds, before reaching the 4th round (last 32) in 2011/12 in an incredible season of cup success. The 2011/12 team is the most successful in our history, winning both the Berks & Bucks FA Senior Trophy and the AM Print & Copy Floodlit Cup in five glorious April 2012 days. We also reached the final of the Hellenic Challenge Cup.

In the two Covid disrupted seasons, the first team were sitting in second place in the Hellenic Premier. Positions when used to calculate points per game resulted in promotion to the Isthmian League South Centre, our 1st season ever at Step 4. However the 2020/21 season will, of course, be remembered for our amazing run in the Buildbase FA Vase when playing every game behind closed doors bar one and all away from home we reached the Final at Wembley where we came up against a very good Warrington Rylands side and narrowly lost 3-2.

In 2021/22 season in the Isthmian South Central, the team finished 8th after a good start. Disappointing FA Cup but a very good run in the Trophy. Winning at North Leigh, Herne Bay before a home win vs Chippenham and finally bowing out against Truro, missing a last minute penalty. In the 2022/23 season, the team finished 6th in the Isthmian South Central - our highest ever league position. In the FA Cup, we reached the 3q round, again our best ever performance, losing 5-3 away to Beckenham Town. In the FA Trophy, we lost in the 1st round proper away to Tavistock.

The 2023/24 will always be remembered as the season of the Great Escape. At Christmas, the team had no wins in the league, only 4 points and were rooted to the bottom of the table. Their only win was a 2-0 victory over Wokingham in the FA Cup. They were knocked out of the FA Cup after a replay at Northwood. There was poor performances in the FA Trophy and Velocity Cups with 7-1 and 6-0 defeats respectively. A management change just before Christmas with Ross Weatherstone taking charge. In his time in charge, Ross managed to guide the team to their first win against Met Police FC. The team finished with 8 wins and managed to finish 4 points and one position above the relegation zone.

2024/25 was the year of the cup run and giant killings. In the Velocity Cup, the Moles were on the road for every game and made it through to the semi-final beating Premier Division sides Dulwich Hamlet and Hasting United before losing to a strong Billericay Town. In the Berks and Bucks Senior Cup, they defeated National League side Maidenhead United before losing in the quarter finals to Flackwell Heath. In the league, the Moles improved slightly from last season finishing one position higher and with nine more points.

THE VIEW FROM THE DUGOUT

Good afternoon,

It's great to be back at Hill Farm playing Isthmian South-Central Football again for the 2025/26 season.

Today we host Horndean FC for our first game of the season for the second season in a row, everyone at the club wishes everyone here today a warm welcome to Binfield FC. I'd like to wish Horndean's Management Team, their players, all their officials & fans a pleasant stay with us & a safe journey home after the game.

Horndean FC had a great 1-0 win against Eversley & California FC last weekend in the FA Cup, so we all will be fully prepared that they will confident coming into this game. Like us, Horndean have refreshed their squad over the summer, so today will present a tough game, one we have fully prepared for all week.

Last Saturday, we played Winslow United FC in the FA Cup extra preliminary round, it was great to see so many people out supporting the team, our new look squad was on show to you all and to score four goals at home and move into the next round where we have an away fixture against Marlow will be tough but a great local fixture. Scoring a hat-rick in the FA Cup at any level should be treasured, so I'm delighted for Ethan Lindo to have created this memory for himself and the club. I thought we were good value for our result & for me to see the team execute information was great.

With NO game midweek, it's been great getting time on the training field to work with the players to make sure we're organised and prepared for the upcoming games in August. The whole squad have trained with a real hunger through preseason, which is pleasing to see. I'd like to take this opportunity to welcome all of the new players, their families & friends to Binfield FC, everyone is excited to watch your performances and progression at the club.

It's going to be a busy week of League fixtures, with Ascot away on Tuesday. It's been a positive start to the season, where I hope we can continue this today, all of the players appreciate your continued support, I hope you all enjoy the game.

BINFIELD VS HORNDEAN

The 2025/26 Isthmian League season is here and is anyone else getting deja vu? For the second year in a row we kick off our league campaign against Horndean at Hill Farm Lane but I can assure you the this programme will not a Ctl C + Ctl V job!

It's been a busy week for everyone to keep up with from a Moles perspective as we introduction the majority of our 25/26 squad. There is still more to come on Monday so make sure you keep your eyes peeled and stay across our socials to keep right up to date!

This all came after our FA Cup success on Saturday when we progressed through to the Preliminary round thanks to a 4-1 victory against Winslow United. Ethan Lindo hit the ground running as he picked up a hat-trick with virtually the last kick of the ground as the Moles produced a very professional performance to earn them a trip to Marlow a week today.

Before all of that though there is a season opener against Horndean to look forward to. After a promising start for our visitors after entry into the Isthmian League, they struggled for form towards the end of the season which saw them finish 17th, one place above the Moles albeit with no real danger of ever being relegated. Victory against Eversley and California in the FA Cup will provide some confidence heading into this afternoon with Brandon Cheley grabbing the only goal of the game.

LAST TIME OUT

BINFIELD VS HORNDEAN

Sat 10th August: Binfield 0-4 Horndean (League)

As we mentioned, it is not the first time the two teams have faced off on the opening day of the season, just 12 months ago. It was Horndean who ran out the comfortable winners that day as they scored three goals in the opening 40 minutes before adding another in the second half to make it a successful start to life in the Isthmian League

Sat 7th September: Horndean 3-0 Binfield (FA Trophy)

Less than a month later, the two sides met again this time down in Waterloooville in the FA Trophy. But again it was Horndean who progressed into the next round with a brace from Kelvin Robinson and Zackary Willett ensuring they were in the hat for the next round and in truth, it could've been a few more.

Sat 28th December: Horndean 1-4 Binfield (League)

But as we approached 2025 and changes in fortunes for both sides, it was Binfield who got their revenge. A brace from Kickie Dzimba put the Moles ahead at half time after initially trailing before Rahzir Smith-Jones and Jack Brewer ensured the three points and made the trip back up the A3 that bit sweeter in one of the Moles' best away performances of the season.

INTRODUCING OUR VISITORS

HORNDEAN FC

The club was established in 1887 and played their first match on 27 October against Red Star from Havant. They initially played at Blendworth Hill before moving to their current ground.

The club only played friendly matches until World War One, after which they joined the Waterlooville & District League, They won the league title in 1926-27, 1929-30, 1930-31 and 1931-32. They went on to join the Portsmouth League, winning Division Two in 1953-54. They were later promoted to the Premier Division, which they won in 1968-69, 1969-70 and 1970-71.

In 1972 they moved up to Division Four of the Hampshire League. By the mid-1980s they had reached Division One, and became founder members of the Wessex Football League in 1986. The Deans struggled to make an impact on the league and in nine seasons never once managed to finish in the top half. After finishing bottom of the league in 1994-95, they were relegated back to the Hampshire League, where they remained until rejoining the Wessex League as founder members of the new Division Two in 2004.

In 2010-11 they were promoted to the Premier Division after finishing as runners-up in Division One. In October 2015 long serving manager David Carter left the club and on Wednesday 21 October 2015 Portsmouth Academy Coach Craig Pearce and Simon Chamberlain were appointed as successors. Craig Pearce and Simon Chamberlain took the team to fifth place, Horndean's highest ever position in the Sydenham's Wessex premier league at the time.

The start of the 2016-2017 season Horndean FC saw the arrival of Michael Birmingham, Dutchy Holland, Jason Mann, and Matthew Driver. The season finished with Horndean FC in 6th place in the Sydenham's Wessex Premier division. The 2017-2018 Season saw the first team finish in 4th place, in 2018-2019 the team under Michael Birmingham finished second, its highest ever position in the Sydenham's Wessex Premier League. The following two seasons were curtailed due to the COVID pandemic, before Horndean recorded another strong season, ending the 2021/22 campaign in fourth place.

INTRODUCING OUR VISITORS

HORNDEAN FC

The 2022/23 saw the Deans make history with a League & Cup double. The club's first Wessex Premier title since joining as founding members in 1986 was secured on the final day of the season in a 1-0 win over Portland United. A club record attendance of 1,359 watched on when Zack Willett headed a late winner as Horndean were crowned Champions. Just two weeks later the Deans won more silverware in the form of the Portsmouth Senior Cup, after defeating Fareham Town on penalties in the final at Fratton Park. The double was complete!

Ground

Horndean play their home games at Five Heads Park, Five Heads Road, Horndean PO8 9NZ. The ground was fully enclosed in 1981. In 1986 a 50-seater stand was added and a new building housing changing rooms and hospitality facilities was constructed inside the ground, to meet Wessex League standards. Previously the changing rooms had been in the social club, on the other side of the car park. A new turnstile shed was installed along with a decking area for spectators ahead of the 2021/22 season.

The club's promotion to the Isthmian Football League for the first time ever meant significant upgrades were made to Five Heads Park. The ground would be rebranded as the Stanley Chase Stadium and improvements came with a new seated stand, relocated tea hut & committee rooms as well as new dugouts with an additional covered standing area constructed in between. The existing tea hut & boardroom would become the club's management office and physio/ media room.

Horndean's first season at Step 4 of non-league in 2023/24 ended with a 14th place finish in the Isthmian South East Division. The Deans recorded 43 points from 38 games. The season also had some Deans history created with a club record FA Cup run, reaching the Second Round Qualifying where they were defeated 3-0 by Poole Town. Following the end of the season, as part of an Isthmian League reshuffle Horndean were moved into the South Central section of the league.

AH competitive Non-League football, how we've missed you!

It doesn't seem all that long ago Oldham Athletic were partying on the Wembley turf as the curtain came down on the 2024-25 season.

But, for the vast majority in the National League System, a three month wait for league action is finally over.

Steps 5 and 6 are already underway and lots were in FA Cup action last weekend - now Steps 1-4 are also set for the big kick-off.

Of course, this time of the year is awash with optimism for so many. Those exciting summer signings, the new kits, the fresh unblemished pitches - there's not many supporters who don't feel this could be their year.

Will York City be quick to banish the memories of last season's play-off semi-final defeat? How do the Step 1 new boys like Brackley Town and Truro City start? Is the National League South title race going to be as epic as we expect? Who will be this year's Step 4 club that race off into an early lead and canter to glory?

Where will the FA Cup shocks come?

It's all ahead of us and we can't wait to tell those stories between now and May. We'll even be talking about them on our new weekly Non-League Goal Mouth YouTube show. Check that out if you haven't already.

It's not all been sunshine and rainbows this summer. The ongoing Morecambe takeover saga has shown the other side of this so-called beautiful game with their fans facing the very real prospect of not being able to watch their team this season.

There's been plenty of debate across the board - and in our pages - on their dire situation and we all feel for their supporters.

Thankfully there are plenty of success stories of clubs who have come through the other side that loyal Shrimps can hopefully take solace from.

Many of them are kicking off this weekend with a new sense of hope. They say it's time for the talking to stop - but it's only just beginning!
